

Welcome
Screen

Create Account

Email:

Password:

[Click here to login.](#)

login looks basically the same.

create Account Routing

Let's get setup

Create Group

Join Group

Join Code

← shows when Join is
Clicked

Create Group Screen

background based on color picked (random gradient by default)

color picker
Name Your Group
Group name

↳ fades light in light mode, dark in dark mode

Create

↑ greyed out until valid entries made

Account created

<Group Name> has been Created!

Add members by sharing this code.

A B C D - E F G H

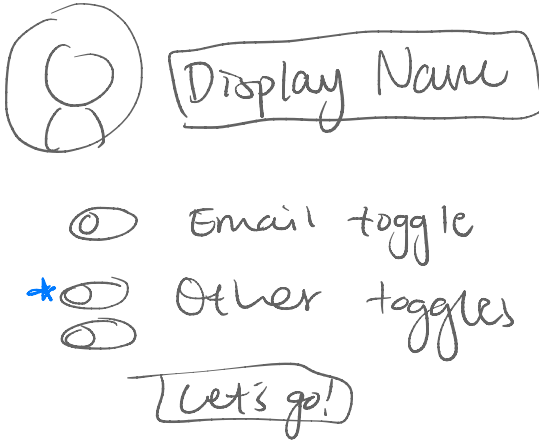

code + link

copy code

↑
Creates a message to text/email with site link + join instructions

↑ just the code

Create Profile (before create group)

* Put setup on this screen so they can configure while onboarding.

↑ sends to homepage
